

Infinity Modern

Infinity Modern Sconce

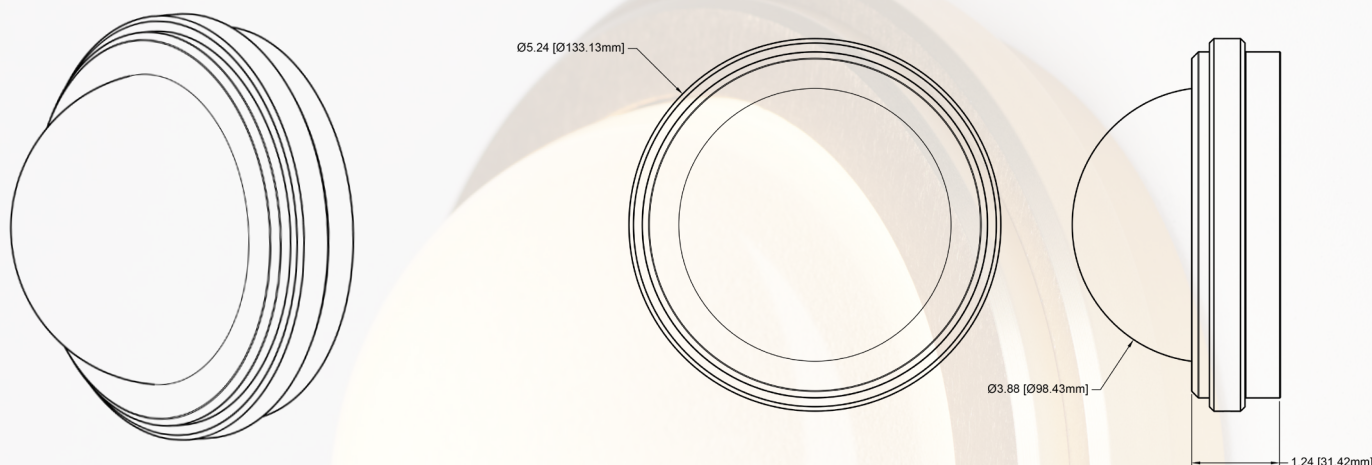

Description

The Infinity Modern Sconce, inspired by the Infinity Modern pendant. The Infinity Modern sconce offers an elegant and clean aesthetic, made using anodized aluminum and an etched glass dome. The light source is invisible, but glimpses of light are reflected and refracted as you move past the fixture.

Standard size of the Infinity Modern Sconce comes with 4-inch (100mm) diameter glass domes. The LED Driver is integrated into the fixture and a standard J-Box mounting bracket is provided.
