

Retta

Retta LED Pendant

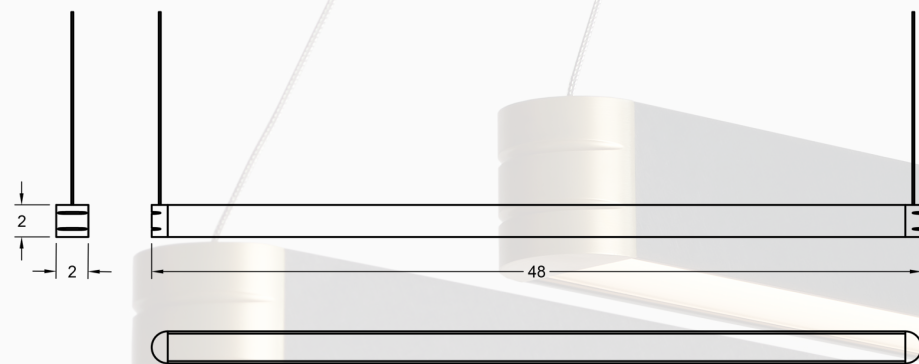

Description

Celebrating light, we introduce our "Retta" lighting line. A fresh new look at the linear light. An object of desire, as captured by the beauty of this simplistic, yet fresh new remake of a standard lighting design. Our newest light named RETTA is Italian for "Straight Line". Retta is a linear led light that shines brightly for any décor. Meticulously machined end caps decorate the ends of this elegant design. Made with aluminum and frosted clear acrylic diffusers, the light is sure to be a stylish addition in any setting.
