Pearl 6 LED Pendant

Description

Pearl. Inspired by the ocean's natural organic beauty. Both ever-changing and classic, Pearl adapts to your space as it transforms with each new viewing angle. Locally crafted hand-blown glass evokes an organic soft glow. To produce its pearl-like beauty, Karice uses the latest LED technology and a unique proprietary dim to warm light module. Like a sunset over the ocean, Pearl effortlessly dims down to a natural warm glow.

Designed by Maurice Dery & Jordan Dery
